SANDOWN TOWN COUNCIL

POLICY FOR RETENTION OF DOCUMENTS

- The table identifies when the retention period of records is due to expire and how immediate action will be taken to ensure the disposal of documents is undertaken in a proper and secure manner.
- When the information reaches the expiry date for retention, the Town Clerk will ensure that all copies of that information are permanently destroyed. If the information is held in more than one media the information must be removed from all the Councils record systems.
- The Town Council will endeavour to minimise the amount of paperwork both produced and received, notwithstanding this there will still be a certain amount of paperwork to process.
- To avoid confusion the method of destruction of all paper documents, with the exception of junk mail which will be returned to sender, is that it will be treated as confidential waste and will be shredded by a registered waste disposal operator and a certificate of destruction obtained.
- The method of destruction for all electronic data will be electronic erasing and in the case of CD or DVD the method of disposal will be by a registered waste disposal operator with a certificate of destruction obtained.
- Electronic copies will be completely deleted from any memory source or other media.

2. STORAGE OF DOCUMENTS.

- Archived records will be stored at the Broadway Centre from 1st April 2108.
- Minutes will be kept in the Clerk's office and all other retained documents will be stored in archive boxes in the Broadway Centre.
- If records need to be kept indefinitely, the Town Clerk will consider the most effective way of storage taking into account any space restrictions.
- The Town Clerk may consider all forms of media for storage to accommodate the needs of the Council provided reproduction from that media is legally acceptable.
