## VOLUNTEER POLICY 2018

This Policy applies to volunteers working on behalf of, but not employed by, Sandown Town Council.

1. Volunteers must be adequately trained to be able to carry out the role required. The exact nature of the training will depend on the role. It is not possible to detail what constitutes 'adequacy' as requirements will vary according to:

- ❖ The job or activity
- ❖ The existing competency of volunteers
- ❖ The circumstances of the work (e.g. the degree of supervision)
- ❖ The tools and/or equipment being used

The training standard, however, must be sufficient to ensure the Health & Safety of volunteers and any people who might be affected by the work, as far as reasonable practicable. Responsibility for providing training rests with the individual to whom authority has been provided by Sandown Town Council to undertake the work.

2. Volunteers, if working for only a few hours to help at an event or similar, must still be informed about the task and its purpose, health and safety and supervision arrangements. Responsibility for this rests with the individual to whom authority has been provided by Sandown Town Council to undertake the work.

3. Volunteers expect to be treated equally, regardless of their gender, race, age, faith/religion, disability or sexual orientation. Volunteers must be accommodated from all walks of life.

4. Volunteers must undergo an induction appropriate for the task(s) being undertaken. This must include health and safety, what to do if there is a problem and an introduction to other relevant individuals. Responsibility for the induction rests with the individual to whom authority has been provided by Sandown Town Council to undertake the work.

5. A risk assessment must be undertaken in order to identify risks that might be faced and how they will be managed. If an area of activity presents a significant risk, consideration must be given to reducing or stopping the activity which gives rise to the risk. Sandown Town Council, through the offices of its Clerk or other person(s) as advised, must receive a copy of such risk assessment records. Responsibility for undertaking the risk assessment rests with the individual to whom authority has been provided by Sandown Town Council to undertake the work. Risk assessments and their associated paperwork must comply with current Health and Safety at Work legislation.

6. So far as insurance is concerned, on condition that volunteers are working at the sole request of and under the sole control of Sandown Town Council then they will

be insured under the Town Council's Public Liability and Employers' Liability cover. Reporting to Sandown Town Council in respect of work which is of an ongoing nature is not necessary on each occasion and does not require formal approval of Sandown Town Council on each occasion.

**7.** Volunteers must carry out only less hazardous work involving, for example, path maintenance and grass cutting, with the use of non-powered tools only, other than lawnmowers/grass cutting equipment and strimmers, when stout footwear must be worn and safety goggles in case of strimmers. If there are serious issues with regards to trees, this work must be carried out a qualified tree surgeon with their own public liability cover of no less than £5,000,000.

Prior to work commencing, a visual inspection must be carried out to ensure that there are no obvious hazards such as litter, glass or stones. Responsibility for undertaking the inspection rests with the individual to whom authority has been provided by Sandown Town Council to undertake the work. Remedial action must be taken immediately and these inspections are to be recorded.

If volunteers use their own tools, the Sandown Town Council cannot be held liable for any injury caused by them through the use of faulty equipment/tools. Cleaning materials must not be stronger than those available on shop shelves. High visibility vests or other appropriate clothing must be worn where appropriate.

**8.** Jewellery, necklaces, watches and the like must not be worn if they might compromise the safe working environment for the volunteer.

**9.** Generally trainers, open-toed shoes, heeled shoes or sandals must not be worn if by so doing the safe working environment for the volunteer is compromised.

**10.** Long hair must be tied up if it is long enough to compromise health and safety requirements.

**11.** All work undertaken by volunteers shall have regard to the Health and Safety at Work Act 1974 and all other Health & Safety Legislation.

**12.** If Sandown Town Council is required to make a decision, a detailed and fully costed proposal must be submitted to the Clerk by no later than the Monday of the week preceding the Town council meeting.

**13.** Expenses will be paid only with the prior approval of Sandown Town Council and after receipt by the Town Council of paper receipts in respect of same. They will not include safety equipment or clothing.

**14.** Volunteers must inform Sandown Town Council of the work they intend to undertake before commencing such work, preferably in writing to the Clerk.
