

SANDOWN TOWN COUNCIL

Press Release

SANDOWN'S SHOP SEASONAL SUCCESS

High Street shops in Sandown took part in a seasonal shop front competition highlighting the arrival of spring and a summer of activity in the seaside resort.

Town Mayor Alex Lightfoot said 'Thanks to the volunteers at the Carnival Shop, and all of the shops that have taken part, and for highlighting the range of services available, in the Town, for residents and visitors.'

The competition also recognised the 40th anniversary of the Town Council, with the first Mayor Heather Humby involved, along with former Mayor and Heritage Champion Ian Ward.

Heather Humby added 'Sandown has seen considerable change during my service as a local councillor, and, whilst there are significant challenges, we need to celebrate local businesses for their innovative and imaginative efforts.'

The Town has recently enjoyed Bank Holiday Fireworks, an event at Los Altos, with the Sandown Sprint this weekend, ahead of a Summer of activities, including Carnival and Regatta.

Ian Ward concluded 'Congratulations to the Carnival Shop for their success, and for all the welcoming displays, as the Heritage Champion it's important to celebrate the continued contribution of local businesses to the Town.'
